GEORGE W. TUTTLE, of Tuttle, Tuttle, & Co., No. 2 Ferry-st., New-York. RICHARD J. SHELMAN, of Rich, Sherman & Co., bank, No. 20 Pine-st., New-York.

THOMAS A. SCOTT, Vice-President of the Pennsylvania Central Railroad Company, Philadelphia, Pennsylvania. R. S. ANDROS, of Adams & Co., Boston, Massachusetts.

Hon. LEVI PARSONS, San Francisco, California. The subscription price is \$20 per share for a limited amount of stock. No further call of assessment to be made on subscribers.

Its property consists of a perpetual lease of about 75,000 acres of territory in San Luis Obispo County, State of California, lying on and near the Pacific Ocean, being all the following tracts, to-wit:

I. The Manilla Ranch, containing 15,554.83 acres. II. The Arroyo Grande Ranch, containing 4,177.36 acres. III. The Bassa Grande Ranch, containing 11,255.22 acres.

IV. The Pismo Ranch, containing 2,829.79 acres. V. The Santa Carral Ranch, containing 3,911.27 acres. The titles of these large tracts have been thoroughly examined and approved by Judge Parsons, of San Francisco.

All reports, written and verbal, of gentlemen who, during the past year, have visited and thoroughly examined this property carefully and scientifically, concur in representing it as overflowing with petroleum. They say: "The Ranches are splendid estates, but their value is in their almost fabulous wealth in the best of oil."

The Company's lands extend for over ten miles on San Luis Bay, on the Pacific coast, with a good roadstead, where shipments can be made with facility to San Francisco, South America, Australia, China and New-York.

The lands have a great slope to San Luis Bay, and there is full assurance of the practicability of conducting the oil, at a moderate expense, through pipes from the wells to reservoirs or tanks, to be constructed at this point, when it can be sent to the markets of the world, either in its crude state or refined according to the demand.

The cost of shipping will not exceed 50 cents per barrel, and the company will be enabled to deliver petroleum at New-York at \$8 per barrel, and at Australia and China at reduced rates.

It is designed to develop, fully and practically, the extent and wealth of this property at the earliest practicable moment. The varied details, giving all the information that can be required, with a general description of the character, advantages and prospects of the Company's property, are fully and plainly set forth in the prospectus.

THE PACIFIC COAST PETROLEUM COMPANY of New-York have been duly organized under the laws of this State, with sufficient capital to render available its capabilities and resources in what is believed to be an unlimited supply of Petroleum not surpassed in quality.

Subscriptions for the stock of the Company have been opened at the office of JAMES WADSWORTH & CO., No. 61 Cedar-st., New-York.
